

CSSS 2023 Program at a Glance

Saturday, June 24	Sunday June 25			Monday, June 26			Tuesday, June 27				Wednesday, June 28			Thursday, June 29				
	Room 1			Room 1	Room 2	Room 3	Room 1	Room 2	Room 3	Room 4	Room 1	Room 2	Room 3	Room 1	Room 2			
			7:00 am - 8:00 am	Breakfast			7:00 am - 8:30 am	IUSS Breakfast				7:00 am - 8:00 am	Breakfast			Soil Spectroscopy Workshop 9:00 am - 4:00 pm	Digital Soil Mapping Workshop 9:00 am - 4:00 pm	Cropping Systems Tour 8:00 am - 5:00 pm
Soils Tour 8:00 am - 8:00 pm	Soils Tour 8:00 am - 6:00 pm	GHG Workshop 9:00 am - 4:00 pm	Morning 1 8:00 am - 9:00 am	Conference Welcome and Keynote: Soil Health			Morning 1 8:30 am - 9:00 am	Keynote: Spectroscopy				Morning 1 8:00 am - 10:00 am	Advances in Digital Soil Data Management & Predictive Modelling 1	Roles of Cover Crops in Enhancing Soil Health and Nutrient Cycling	Measuring and Predicting Soil Nitrogen Mineralization			
			9:00 am - 9:30 am	Break and Posters			9:00 am - 9:30 am	Break and Posters				10:00 am - 10:30 am	Break and Posters					
			Morning 2 9:30 am - 11:30 am	Soil Health - Measurement & Management 1	Effects of Microplastics within Terrestrial Systems	Soil Organic Matter Characterization, Cycling, and Stability 1	Morning 2 9:30 am - 11:30 am	Soil Spectroscopy	Mechanized Approaches to Supporting Precision Soil Management	Mitigation of Soil Nitrous Oxide Emissions from Canadian Agriculture 1	Soil Amendments in Agricultural Environments 1	Morning 2 10:30 am - 12:30 pm	Advances in Digital Soil Data Management & Predictive Modelling 2	Implementing Research on Farms	Mitigation of Soil Nitrous Oxide Emissions from Canadian Agriculture 3			
			11:30 am - 1:00 pm	Pedology Committee Lunch and Posters			11:30 am - 1:00 pm	Education Committee Lunch and Posters				12:30 pm - 1:30 pm	Lunch and Posters					
			Afternoon 1 1:00 pm - 3:00 pm	Soil Health - Measurement & Management 2	General Soil Science 1	Soil Organic Matter Characterization, Cycling, and Stability 2	Afternoon 1 1:00 pm - 3:00 pm	General Soil Science 2	Hydrogeophysics to Support Precision Agriculture	Mitigation of Soil Nitrous Oxide Emissions from Canadian Agriculture 2	Soil Amendments in Agricultural Environments 2	Afternoon 1 1:30 pm - 3:30 pm	Preparing the Next Generation of Canadian Field Soil Scientists	Soil Amendments in Agricultural Environments 3				
			3:00 pm - 3:30 pm	Break and Posters			3:00 pm - 3:30 pm	Break and Posters				3:30 pm - 4:30 pm	Break and Posters					
			Afternoon 2 3:30 pm - 5:30 pm	Soil Health - Measurement & Management 3	The Range of Soil Water Influence	Soil Organic Matter Characterization, Cycling, and Stability 3	Afternoon 2 3:30 pm - 5:00 pm	CSSS AGM										
	Opening Reception 7:00 - 10:00			Graduate Student Social 7:00 pm - 10:00 pm								Awards Gala 7:00 pm - 10:00 pm
